SELECTMEN'S REPORT

During the past year some of the Town Road Aid (T.R.A.) money was used to black top Hale Road from Interstate 93 crossing to Rte. 3B and a small amount of preliminary work was done on Morrison Road. Approximately \$27,000.00 is now in the (T.R.A.) fund. Getting releases from the road abutters has been the main reason why T.R.A. road construction has been slowed down. At the present time, particularly for school bus routes, Brook Road from Weeks to Prescott Road should have priority.

The Salmon Brook Bridge at Route 127 and Weeks Road was rebuilt last year under the supervision of the New Hampshire Bridge Department. The bridge is now two lane and will carry most any size load. The Selectmen did not approve the approaches to the bridge, but the State would not make any changes after the final completion of the contract, the Town can alter the approaches.

The Selectmen again remind all students who wish to apply for a scholarship applications may be acquired from the school principal and must be filed at his office on or before May 1, 1970.

Some changes have been made in the hours when the Town Office will be open. Please check the schedule in the front part of this report.

Open dump burning originally ordered to cease in 1971 was extended to 1975. The open fire system being installed in Laconia will be checked by all the cities and towns in the area and a similar system on a mutual basis could be the answer to most towns.

The Bicentennial Celebration is now under way, the January events are over and before this comes off the press the ski meet will be history. The Lakes Region Snowmobile Club is to be congratulated for the manner in which they conducted the races and a great deal of credit to the Sanbornton Fire Department and all others who contributed in any way to the two day event. We hope that more of the townspeople will become involved in this Bicentennial Celebration.

Programs of the years events have been distributed and anyone who can offer some help at any of these events contact any member of the Bicentennial Committee.

The Selectmen wish to thank all Town Officers, Town Committees and all the people of Sanbornton for their co-operation and assistance during the past year.

SANBORNTON FIRE DEPARTMENT

We are pleased to report no fire loss in the town in 1969. The Department responded to only ten alarms - four in town and six Mutual Aid calls.

The pond project has been completed. When the reimbursement money is available the firemen plan to install dry hydrants in several locations in town.

The new fire truck has arrived and is fully operational. This fine piece of equipment has been underwriters' approved, and should take care of our needs for many years to come.

The skimobile venture was a financial success for the Fire Department. We will use this money to improve the Department, especially along the line of communications. Six "Plectron" receivers are presently in use and we are ordering six more.

We wish to welcome the newly organized Ladies Auxiliary as a valuable asset to the Department.

May we thank the voters of Sanbornton for authorizing the purchase of the new truck and all others who have contributed in any way.

The Department acknowledges the valuable assistance of the Lakes Region Mutual Fire Aid Association.

Respectfully submitted,

GEORGE S. CURRIER

Fire Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

REPORT OF THE PLANNING BOARD

In this Bicentennial Year of our town, we should be grateful for what has been left for us to enjoy - the unspoiled hills, the clean, rushing streams, and the freedom from congestion and overpopulation. The past ten years have seen more change in the town than during any like period of its history. Through their Zoning Ordinance and Subdivision Regulations the residents have been able to exercise a certain amount of control. Without these tools and guidelines our town might be a less enjoyable place to live.

During the past three years the Board has been working on revisions of the Zoning Ordinance. These revisions have not yet been presented to the people for vote, but have been discussed repeatedly at public hearings. Most of the revisions have to do with improving definitions, clarifying the setback provisions, and bringing the regulations relative to mobile homes, travel trailers, and campers, up to date. Most of the discussion, however, has centered around the proposed rezoning of the large uninhabited areas at Hopkinson Hill, and the northwest part of town, dominated by the Sanbornton Mountain Range. At present these areas are, like most of the town, zoned General Residence and Agricultural, with a minimum lot size of 35,000 feet. Initially the Planning Board proposed an 8-acre minimum lot size for the proposed Forest Conservation areas. Although at hearings there has been some opposition to this large minimum, it is now felt that we should maintain this minimum for these areas, and that in addition the minimum lot size for the General Agricultural and Residential Area should be increased from 35,000 feet to one acre.

There will be hearings on these proposals this spring, with the hope that these matters can be decided at a special election in the early part of the summer.

For the Planning Board

A. F. Livingstone, Chairman

SANBORNTON PUBLIC LIBRARY

MRS. BARBARA S. POWERS, LIBRARIAN

The Sanbornton Public Library has had a busy year with the circulation of 1,514 adult books and 4,476 children's volumes. Each class at the Sanbornton Central School uses the library every two weeks during the school year.

Barbara Powers completed the extension course on Services for Adults which granted one credit toward state certification.

Several new services have been added for library patrons in 1969. A telephone was installed (286-8288) so that borrowers may more easily contact the library with questions and requests. Large print books have been added to the collection for the use of citizens with poor eyesight. LP records have been added for the use of library patrons. Both the record collection and the large print books were gifts to the library.

For the first half of 1970 the trustees voted to add Saturday hours from 2 - 4 PM on an experimental basis to see if Sanbornton citizens find Saturday a convenient time to use the library. Currently, then, hours are:

Wednesday 1 - 4 PM and 7 - 9 PM

Thursday 10 AM - Noon

Saturday 2 - 4 PM

Due to the reduction in Federal Aid the State Library has discontinued Cooperative Book Buying and reduced some of its other services to local libraries.

The presence of Ruth Gray on the Library Board is greatly missed and her help and advice this year is much appreciated. The trustees wish to thank Ellen Jesseman and Mildred Coombs for their help on library days. The work of Melissa Powers, Dori and Nancy Wiggan, Evelyn Sanborn, and Timothy and Colleen Chase in helping to clear the store-room for a workroom is greatly appreciated.

CIVIL DEFENSE - 1969

Through the efforts of the Firemen, the "Rescue and Service" truck is now operational and quite well equipped. A few more items should be purchased from Surplus Properties as they become available.

I would suggest an appropriation of \$200.00 to keep the town eligible to purchase Surplus Properties.

In submitting my final report as your Town Director, may I say all necessary Program Papers and Progress Reports have been completed and approved.

May I offer my support to the new Director and may he enjoy the same splendid support from the residents of Sanbornton that I have enjoyed over the past twenty years.

Respectfully submitted,

GEORGE S. CURRIER
Director

1969 SANBORNTON CONSERVATION COMMISSION REPORT

The Commission worked to improve the map of Sanbornton obtained early in 1969 and will continue to improve this map which can be seen at the town meeting.

Two members of the Commission attended a soil Seminar at the Forestry Building and heard an explanation of how to use the soil survey and are available to assist townspeople in the use of it.

Plans to move the Town Nursery were curtailed, and presently work is aimed at improving the present area in drainage and soil conditioning work. Trees from the Nursery and shrubs donated by members of the Commission will be placed around the Fire Pond and Town buildings. Plans also include the planting of the two trees awarded to the Town of Sanbornton, two years in a row for the cleanup effort in the Belknap County Beautification Program. Cooperating groups were the Boy Scouts, Harmony Grange and the Conservation Commission.

Mr. Joseph Macozek, who has capably chaired the Commission since its beginning has asked to be replaced because of pressing business, and a new member, Mr. Wayne Smart has joined the Commission.

Present members are as follows:

David McKay, Chairman
Robert Bodwell
Mrs. Joseph Macozek

Mrs. Chester Novicki
Mrs. Dexter Dymont
Wayne Smart

Respectfully submitted,

David McKay, Chairman

PRESERVE THIS REPORT

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year, or any year, it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve and bring it with you town meeting day.
